LET'S SHOW OFF THE LOCAL TALENT!

JOIN THE SUMMIT ARTSPACE ARTISTS DIRECTORY

After many conversations with emerging and established artists *and arts patrons*, we discovered that there is a crying need for an online Artists Directory to help promote our local talent. Artists need a way to let buyers know what they create. Patrons need to know how to get in touch with local creators of original art.

Thanks to funding from the **Akron Community Foundation**, Summit Artspace was able to add our new **Summit Artspace Artists Directory** to our web site at www.summitartspace.org. Ten outstanding artists are already listed, and preliminary advertising of the site has started. **Now it's time to start promoting your work!**

This opportunity is **only available to artists who have shown work at Summit Artspace**. Participants can display three examples of his/her work. Other information includes name, phone number, medium and a short bio. If you have a web site, there will be a link directly to it, so interested patrons can get further info and see more images.

Summit Artspace will actively promote the web site directory through the Akron Area Arts Alliance membership and media. **We will not handle sales nor take a percentage of any sales initiated by the directory.** Your listing will only cost \$60 for 12 months of representation, including a change of images after six months if desired. The money will be used to maintain the site and advertise it.

Take advantage of this exciting marketing opportunity by printing, filling out and returning this letter and a check for \$60 to the AAAA/Summit Artspace office right away. **We need your form, check and images no later than August 30.** Email images to Marcia Daugherty at akronareaarts@sbcglobal.net.

Questions? Call the Akron Area Arts Alliance at 330-376-8480.

_____ Yes, I definitely want my art work promoted on the new online Summit Artspace Artist Directory. (Checks payable to Akron Area Arts Alliance.)
